Description

Tour Goes Twice a Day

If you want to avoid city crowds to enjoy in beautiful color of the sea and visit of the small stone town this is perfect trip for you. We departs twice a day – morning and afternoon.

Town Trogir is a perfect place, on the list of UNESCO World Heritage. It is amazing feeling to see Trogir from sea side, in arrival and departure. The sculptural artistry on the stone of the town is what makes it so specific. Walking through the streets of Trogir is like travelling to the time of Grecians, Romans and Venetians. Our skippers will tell you a bit of history and beauty of town Trogir. We recommend to visit Cathedral of St Lovre where you will see impressive Romanesque doors carved by Master Radovan in the 13th century.

Trogir has two city beaches, 10 min away from the town centre.

Blue Lagoon is a tropical paradise situated between two islets (Krknjaš Mali and Krknjaš Veli) and one island (Drvenik Veli). Lagoon color is amazing blue-green turquoise color with sandy seabed. After swimming and snorkling you can enjoy on the boat sunbathing or you can go outside of the boat on the pebble beach. For good memories do not forget your camera for amazing pictures, it is stunning untouched piece of nature...

Our last stop is very nice Laganini Beach bar on island Čiovo where you can enjoy and relax in good coctails, more swimming and if you want you can enjoy in lunch/dinner.
