Description

This tour is perfect for you if you want to avoid city crowds.

Our tour starts with famous **Blue Lagoon** where you will have free time for morning swimming and snorkeling. This beach is popular and known by its turquoise color and beautiful nature around it. It is situated between island Drvenik and two small islets, Krknjaš Mali and Krknjaš Veli.

Next location is one of the most beautiful bays on island Šolta, **Nečujam bay**, where you will have free time to relax, have a coffee, swim or walk. In Nečujam we will pass by sunken ship where it is allowed to swim and snorkel.

Also on island Šolta we will stop in village Stomorska, the oldest coastal village on island, where you will have free time for lunch. Beautiful waterfront, small beaches, fishermen's boats, traditional stone houses with red roofs, traditional taverns, coffee bars....a place from where you can take beautiful photos.

After all, it goes a short boat ride to our third island Brač, to stunning fisherman's village Milna, where we will take you for a wine tasting in traditional wine cellar. You will have time to walk around and have a drink on the beautiful waterfront before return to Split, Kaštela and Trogir.
