Description

The most popular tour in Croatia is Blue Cave and Hvar island – 5 islands group tour. This Blue Cave and Hvar island Tour from Kaštela starts when we pick you up at the prearranged meeting point in Kaštela port and take you directly with our speedboat to **Bisevo Island**, where you will visit first and main attraction Blue Cave. The Blue Cave in Croatia is a natural phenomenon named after the blue shining light that illuminates the cave when the sun is in the proper position. Blue Cave Croatia is one of Europe's most beautiful blue caves.

After Blue Cave, second attraction we are going to visit is **Monk Seal Cave**, a unique seal from the Adriatic Sea, has found its last known habitat. Because of its narrow entrance, most people are unaware of its existence.

After seeing the incredible Blue Cave and Monk Seal Cave the next stop should be **Komiza on Vis Island**, a charming town. This is where you may relax for a while with a cup of coffee or a light breakfast before exploring this historic Dalmatian town.

Following Komiza town, we will travel to **Stiniva Bay Beach**, one of Europe's top beaches. Stiniva Bay Beach looks like it came straight out of a picture, and the crystal pure blue sea will take your breath away. However, there is a minor surprise ahead of Stiniva: the Vis caves.

Fifth attraction is **Budikovac Bay/Smokova Bay**, small and uninhabited island in the Vis archipelago that locals frequently refer to as Blue lagoon. This harbor is located northeast of **Ravnik island**, near Rukavac on the island of Vis. The bay, which is formed by two islands, Veli and Mali Budikovac, is ideal for swimming and snorkeling. Depending on the number of guests, we may visit Smokova Bay instead of Budikovac. This location could be ideal for a Picigin game. After seeing the islands of Bisevo, Vis, Budikovac, and Ravnik, the final destination is the famous Hvar Town, on **island Hvar** which is home to one of the world's most beautiful bays. It also has a

rich cultural heritage that is distinct from the rest of the Croatian coastline. Its seven-century-old wall is part of this heritage, and it awaits your arrival.

You may also trek up the hill and explore the historic Fortica fortress, which offers a spectacular perspective of the surrounding area as well as a wealth of history within its walls. After climbing the hill, enjoy a leisurely stroll around town to discover the area's numerous charms and joys.

Don't forget to grab a drink or two at one of the city's many famous pubs, where the atmosphere is second to none. After all of that, it's time to head back to Kaštela.
