- Personal expenses
- Hotel pick up and drop off

Description

Blue Lagoon half day tour offers you time for swimming, snorkeling and enjoying in a hot summer day. Choose from the morning or afternoon tour to avoid city crowds.

This memorable lagoon is true pearl in the Adriatic sea. It has crystal clear and turquoise blue-green color of the sea and we can just say it is a perfect half day tour.

Tour Goes Twice a Day

This half day tour is an excellent choice for everyone who wants to avoid city crowds and to enjoy in beautiful color of the sea and visit of the small stone town. We depart twice a day – morning and afternoon. During the 30 min speed boat ride you can enjoy in panoramic view of Kaštela and islands.

Town Trogir is a perfect place, on the list of UNESCO World Heritage. All history and story is written in stones of its streets and squares. Trogir has a special town atmosphere, the vibrant life of its narrow streets and sun-washed waterfront. It is an amazing feeling to see Trogir from seaside, in arrival and departure. Our skippers will tell you a bit about history and beauties of town Trogir. We recommend to visit Cathedral of St Lovre where you will see impressive Romanesque doors carved by Master Radovan in the 13th century.

Trogir has two city beaches, 10 min away from the town centre. First one is on island Čiovo and second one is on the land, also 10 min away, in direction of Split. No matter which tour you choose, morning or afternoon, we are sure that you will enjoy. This is definitely little piece of the paradise.

Blue Lagoon is definitely a tropical paradise nestled between two islets (Krknjaš Mali and Krknjaš Veli) and one island (Drvenik Veli). Lagoon color is amazing blue-green turquoise color with sandy seabed. After swimming and snorkeling you can enjoy on the boat sunbathing or you can go outside of the boat on the pebble beach which is surrounded by pine trees. Do not forget your camera for amazing pictures, it is stunning untouched piece of nature.

We have to mention that the Blue Lagoon is a natural habitat of dolphins. We can not promise that you will see dolphins, but maybe it will be your lucky day and you will spot them on the way.

Our last stop is very interesting fishing village Maslinica on *island Šolta* where you can enjoy and relax in good cocktails, more swimming and if you want you can enjoy in lunch/dinner.
