

# Benetau Flyer 6.6 SPACE deck

**Kapacity:** 8 persons

**Engine:** Honda V-tec 200 HP

**Lenght:** 6,22 m

**Width:** 2,52 m

## Description

Beneteau Flyer 6.6 SPACEdeck is very highly functional with open deck, SPACEdeck is the ultimate “Open” boat. Perfectly designed economics offers an optimal and predominant driving position. The forward seats are ideally arranged for storage and moving about, the lateral passages are wider, the rear cockpit can be easily converted thanks to a fold down seat, and the finish of the seats and benches is superb. Each detail has been given careful attention, much to the delight of its users. On the cutting edge of technology, the boat has a new generation Air Step<sup>®</sup> hull, optimized for this size of boat. To the three, already patented, unique qualities of this technology (stability, safety and comfort), the designers have added an important navigational quality: grip at sea, resulting in outstanding seakeeping: a determining factor in creating a feeling of confidence, as well as ease of navigation second to none.
